

Veridian Petrochemicals
Bharuch Complex

Document no: DS-C-1101-2022 Revision: A
Title: Equipment datasheet, C-1101
Owner: Dr. Sunita Rao
Issued: 10 January 2022

Primary equipment: C-1101, Atmospheric column

Manufacturer: Veridian procurement. Model: VPC series F. Serial number: SN-C-1101-2013.
Installed: 2013. Unit: CDU. Criticality: safety critical. Piping and instrument diagram: CDU
unit, sheet nine.

Design code: ASME VIII Division 1.
Shell material: SA-516 grade 70, 12 mm nominal.
Column: insulated, with a nameplate and a stamped registration number.
